1. Scope

This Addendum covers the WSCA/NASPO PC Contracts 2009-2014 (Computer Equipment, Peripherals and Related Services) lead by the State of Minnesota for use by state agencies and other entities located in the Participating State authorized by that state's statutes to utilize state contracts.

Eligible participants in this agreement include all agencies, institutions, officers, boards, commissions and public universities of the State of South Dakota, and all political subdivisions of the State, including counties, municipalities and public school corporations within the State of South Dakota.

All purchases made from this price agreement by agencies, institutions, public universities, officers, boards or commissions of the State of South Dakota must be routed through the Office of Procurement Management or as directed by the Bureau of Administration. A purchase order issued by the Office of Procurement Management will authorize the purchase.

Political subdivisions of the State of South Dakota may purchase directly from the Contractor according to their own procurement procedures.

The Contractor may, at the Contractor's discretion, extend pricing from this agreement to Indian tribal governments and non-profit organizations in South Dakota. Any sales made to Indian tribes and non-profit organizations from this agreement shall be included in any required reports and shall be subject to the WSCA administrative fee.

2. Participation

Use of specific WSCA/NASPO cooperative contract by state agencies, political subdivisions and other entities (including cooperatives) authorized by an individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official.

3. Changes:

A. General

1. MPA Section 44. Reporting and Fees, paragraph B.2. Participating Entity Reports and Fees:

Replace paragraph 2 in its entirety with the following:

The State agrees to receive the utilization report from WSCA/NASPO reflecting net sales to the Participating Entity during the associated fee period. The State may request additional reports as mutually agreed by the Contractor.

B. Band 2 – Workstation and Band 7 - Monitors

This Section 3.B applies only to Band 2 and Band 7 product purchases under this Addendum.

1. The Participating State agrees in return for the additional considerations provided by HP herein, it will through this Addendum make HP's entire Band 2 and Band 7 product portfolio available to Judicial, K-12, Board of Regents and political subdivisions within the State of South Dakota; and, the Participating State will establish a subset of Band 2 and Band 7 products for use in Constitutional Offices, Executive Branch Agencies, and Legislative Offices in the State of South Dakota.

2. Contractor will provide quarterly reports of Band 2 summary and summary data, in secure electronic format and/or submitted electronically to the State contact listed in this Addendum. Summary information includes quantity, description, and total amount for Band 2 for Higher Education, K-12, Local Government, and State Department, and applicable summary data.

3. South Dakota Specific Terms and Conditions applicable to Band 2 and Band 7 Products only.

TERMINATION: Anything in the Master Price Agreement or the Addendum to the contrary notwithstanding, if HP fails to deliver Product(s) within 20 business days or other time period agreed to by the Parties and memorialized in a Purchase Order accepted by HP in writing, the Purchasing Entity may cancel the Purchase Order and/or the State may terminate the Participating Addendum upon five business days' written notice to HP, which notice shall be sent via email and overnight courier and which shall be deemed received when sent. In the event of any such termination and/or cancellation, the Purchasing Entity shall have no liability for work in progress or Product in transit but not delivered as of the date the cancellation or termination becomes effective. This termination provision shall only apply to Purchase Orders that, at a minimum, are for Band 2 and Band 7 Product quantities of at least 10 units and where the Purchasing Entity has given written notification of the critical Purchase Order(s) to the HP Contract Program Manager named below upon its' issuance of the Purchase Order(s).

WARRANTY SUPPORT: If, within the term of its warranty, a Product does not operate to the manufacturer's product specifications, HP shall correct the problem in accordance with the manufacturer's warranty provided with the product. In the event the problem cannot be corrected within ten (10) business days, the using agency may demand a replacement item be delivered within three (3) business days of the demand, and HP shall replace the item with a new item of equal or superior quality to the using agency. An agency demanding correction of a problem must notify the State of South Dakota Purchasing Administrator and Bureau of Information

Telecommunications ("BIT") of the same. HP is responsible for all shipping charges on items returned by the State.

TERMINATION FOR CAUSE: The State may terminate this Addendum after providing HP a thirty (30) day written notice to cure if one of the following events occurs:

- if at any given time during the warranty period, more than five percent (5%) of the Products purchased pursuant to this Addendum are in need of warranty repair for the same manufacturing defect at that point in time; or
- if more than ten percent 10% of the total Products purchased pursuant to this Addendum require warranty repairs for the same manufacturing defect within any given twelve (12) month period; or
- if new Products purchased have not been delivered within the timeframe allowed in the Master Price Agreement without previous written notice.

SERVICE REQUIREMENTS:

1. The following service areas address general service terms that may apply to either self-maintainer type accounts or standard HP warranty accounts:

- Replacement part delivery is next business day as a standard HP support offering. This and all support offerings may be upgraded through the purchase and activation of various HP Care Pack Services.
- Replacement parts/products shall be new or serviceably used, and are warranted for the remainder of the original warranty or (30) days from the date of shipment, whichever is longer.

- For non self-maintainer accounts, HP will give the option to repair or replace out-of-box failures. Depending on the failure symptom, HP may request troubleshooting assistance to confirm perceived hardware failures that are not, in actuality, configuration/driver errors
- HP will not modify the brand of included software for the life of its products. When new products are introduced different software may be included and customers are always given the option to test the software and determine their best course of action. In all cases HP provides notification of changes via the Subscriber's Choice program.
- HP will pay for the warranty part and the defective part to be shipped. HP will include documentation with each shipment indicating the part is a warranty replacement
- The WSCA Escalation path should be used first as detailed in the WSCA B27164 contract, Exhibit B. If this does not resolve the problem customers should contact the HP Contract Program Manager for the State.

3. HP offers the follow additional terms for products purchased under accounts that operate under a Self Maintainer operating model:

- The HP Self Maintainer Program includes the website "HP Channel Services Network" (CSN) for conducting self maintenance business. One feature of CSN is to provide detailed product information. By entering the product number and serial number of a unit, the self maintainer receives a list of the components used to build the unit and their replacement part numbers.
- Self maintainer trained technicians have the authorization and ability to replace keyboards, screens, memory, hard drives, DVD drives, motherboards, and other service level components with out voiding the warranty on the product.
- Upon agreement to the terms and conditions of the HP Self Maintainer program, HP shall provide self-maintainer status to BIT and other eligible entities in South Dakota who desire such status and agree to applicable terms.
- The HP Self Maintainer website "HP Channel Services Network" (CSN) provides the ability for self maintainers to submit warranty claims and to check the status of their claims. When placing a claim, confirmation of receipt is immediate with the issuance of an "XSC" order number.
- The HP Self Maintainer website "HP Channel Services Network" (CSN) provides extensive facilities to search knowledge bases, run diagnostics, and download drivers & BIOS.
- The Self Maintainer program provides the ability to purchase individual component parts and encourages self maintainers to setup a spare parts inventory. The Self Maintainer program provides consulting services to help determine the appropriate stocking level of component parts based on the self maintainer's installed base.

- HP agrees to provide a 0.5% credit toward the purchase of appropriate spare parts to be used as a spare parts pool. The credit will be calculated based on the product value of State agency direct purchase orders to HP and excludes orders made pursuant to the Classroom Connections program below. The credit will be issued quarterly and will allow BIT to purchase needed spare parts in support of standard configurations in the State. Parts will be purchased through the self maintainer program which provides a capacity for stocking of parts.

CLASSROOM CONNECTIONS PROGRAM: For purchases made by schools participating in the Classroom Connections Program, a.k.a. State of South Dakota Governor Rounds' 2010 Education Initiative Laptop Program for High School Students, HP will at no additional cost provide, and BIT will receive and manage the distribution of, spare parts in the amounts specified below. The amounts specified below shall be calculated based on the total purchases of like items of all participating schools.

- Accessories - 3% of purchased quantity
- Tablets - 3% of purchased quantity
- Laptops - 3% of purchased quantity

The percentage of spares to volume order quantity may be modified, up to but not greater than five percent (5%) based upon the actual failure rate experienced by the Purchasing Entity or HP within any prior three month period for the particular product model. Periodic reviews will be conducted between the State BIT representative and HP's Contract Program Manager.
