## South Dakota Request for Display of Original Issue Plates on a Historic Vehicle

### A Instructions

- This application is for the request to display original issue plates on a historical vehicle.
- Submit this form along with a COLOR copy of the original issued plates (front plate and back plate) and a \$10 plate fee.
  - Black and White copies of the plate will not be accepted.
  - The Department of Revenue does not guarantee plate availability of original issue plates as the number sequence may be in current use.

**SDCL32-5-77.2:** A motor vehicle registered pursuant to §32-5-77.2 may in lieu of being issued number plates by the secretary display original South Dakota number plates issued in the same year as the model year of the car on which they are displayed. The number of the original plates shall be provided to the secretary. The original plates shall be in good condition and shall be used in pairs one to be displayed in the front of the car and one in the rear. Original South Dakota number plates may not be used if the number on the original plate is identical to a number on any other plate in a numbering system used by the secretary. Any person using plates issued pursuant to § 32-5-77.2 shall return those plates to the secretary before substituting original plates. The secretary shall charge a ten dollar fee for registering the number on the original plates. Fees collected under the provisions of this section shall be credited to the state motor vehicle fund.
